Discuss Sale of City Water to Outside Areas

Would Supply Dorris Heights, Buena Vista and Muddy

The Harrisburg city council Tuesday passed the annual budget and appropriation ordinance, which appropriates money to operate the city for the fiscal year which began May 1.

The ordinance is carried in its entirety in today's Daily Register. Discussion of providing areas outside the city limits with city water occupied a lot of the council's time.

The council was in agreement on a proposition to furnish water to Dorris Heights and Buena Vista, contingent on having adequate pipe.

To Sell Water to Muddy

It also approved Harrisburg water and sewer board minutes which called for selling water to Muddy, subject to the approval of the council, with a meeting to be called later to work out details. The Muddy proposition called for the city to sell water to the village at wholesale with Muddy itself taking care of running the lines and collecting for water from individuals.

Delegations were present from both Buena Vista and Dorris Heights regarding getting water to these areas. At the last meeting Louie Dalton of Dorris Heights was told to get names of persons there who would agree to laying the pipe and buying their own meters to get water with the city supplying the pipe, and he returned Tuesday with nearly ninety Dorris Heights names. He said there would be others who would join in the venture.

Need 2½ Miles of Pipe

Raymond Pickford of Buena Vista said that some while ago a list of fifty in his area said they would use city water.

Under the proposal worked out, Dorris Heights residents would lay six-inch line from the city limits to the Lovers Lane crossing and pay for the meters, and Buena Vista would carry the line on down Lovers Lane to Route 13 and on to Buena Vista.

There was some indication that perhaps the city did not have enough line available to furnish for the project and this was to be looked into. Pipe in question is that which was bought to run from Blue Lake to the treatment plant a few years ago. Part of it already has been used on other projects. It was estimated that two and a half miles of pipe would be required.

To Meet Tonight

R. R. Brown, engineer, was asked two weeks ago to make a cost survey of a sanitary sewer on Shaw street in West Harrisburg after a delegation appeared before the council asking for the sewer.

Brown said that because of the elevation of the area over which pipe would run, only way to make the line function would be to put in a lift station, with pump. He estimated that the cost of the project would be about \$8,235 for the system, that without the lift station the line would cost \$6,425.

Bills were paid and the report of Justice of the Peace O. L. Woods, which showed the city's share of his collections to be \$432 for the past month, was approved.

The council adjourned until 7:30 tonight, at which time City Attorney George B. Lee will explain the new policeman's and firemen's act to council members.

Child Scalded to Death

EAST ST. LOUIS, Ill. (AP)—State highway police say a 12-year-old East St. Louis boy was scalded to death Tuesday.

The boy, Michael Steward, fell into a sump-pump drain as an automatic washer was draining hot water.

The infant, son of Mr. and Mrs. Jack Steward, 205 Pleasant Ridge Drive in Fairview near East St. Louis, was pronounced dead at St. Mary's Hospital here.

\$50,000 Blowout

Mike Todd Throws Biggest Party Since Coronation; Near Tragedy for Liz

LONDON (UP)—Mike Todd threw London's biggest party since the coronation Tuesday night to celebrate the British premiere of his film "Around the World in 80 Days." The gaudy \$50,000-plus blowout almost ended in tragedy for his pregnant wife, Elizabeth Taylor.

A guest inspired by too many glasses of champagne lurched forward in the celebrity pavilion of the huge amusement park Todd took over as part of the ballyhoo and fell against a table where Miss Taylor was sitting.

The table struck her heavily in the stomach and the dazzling brunette beauty screamed in pain and fear. The baby is expected in October.

Singer Eddie Fisher and his wife, Debbie Reynolds, rushed to the actress' side and summoned Todd.

Todd thrashed his way through

the most extraordinary list of celebrities gathered here in years, took in the situation at a glance and grabbed the man responsible. He pushed him to the edge of the lake in the center of London's Coney Island—the Festival Gardens of Battersea—shaking with fury.

It looked for a moment as though Todd were going to hit the offender, but the produced confined himself to gripping the man's shoulders.

"My wife's pregnant," he choked out the words. "Will you please be a gentleman."

A few minutes later Miss Taylor had completely recovered and was holding court at a table which included Sir Laurence Olivier and Vivien Leigh; Duncan Sandys, defense minister and son-in-law of Sir Winston Churchill; former attorney general Sir Hartley Shawcross, the Maharajah of Jaipur and other dignitaries.

At News Conference

Ike Opposes Civil Rights Referendum

WASHINGTON (UP)—President Eisenhower today opposed a national referendum on his proposed civil rights program.

Eisenhower told a news conference that he does not know of any provision under the Constitution for such a referendum. He also said he presumes that the question submitted to the people would have to be the exact language of the bill.

Eisenhower said he did not think that would make a very good subject for a referendum. The idea of putting the administration's civil rights bill to a national referendum was advanced Tuesday by Sen. Richard B. Russell (D-Ga.), leader of the southern bloc opposing the bill.

Eisenhower noted that the Constitution places responsibilities for enacting legislation into law on federal officials—obviously meaning Congress and the executive branch of the federal government.

No Judgment on Steel Hike
In other news conference highlights, Eisenhower:

—Proposed inviting all foreign countries, including Russia, to send representatives to the next U. S. nuclear test to find out with their own instruments the size of nuclear weapons this country is testing and how "clean" they are. He said that we are trying to make small and "clean" (free of radioactive fallout) nuclear weapons.

—Said he does not have the exact detailed knowledge necessary to make a judgment on whether the recent steel price increase of \$6 a ton was fully warranted. But he repeated that the government alone cannot maintain a stable economy. He said it must have the aid of statesmanlike action by labor and management leaders on wage-price increases.

—Denied that he is any less enthusiastic about disarmament, including suspension of nuclear tests, since he found out that scientists believe they can produce an absolutely clean hydrogen bomb with four or five more years of testing. He said the administration still stands firmly on its offer of disarmament and suspension of nuclear tests.

Cites Free Press
—Said he believes that Army Specialist De Wayne McOsker should be tried by a French court because the crime of which he is accused occurred while the American soldier was off duty. The President said that put McOsker in the same category as any tourist.

—Favored giving the defense secretary power to put procurement and supply activities of the armed forces under a central official.

—Opposed making it mandatory that any future telecast in this country by Communist leaders be submitted in advance to the secretary of state and head of the Central Intelligence Agency. He said that would align us with countries which control the press at the expense of its freedom.

—Said he hopes government spending in the current fiscal year will not exceed his January estimate of \$71,800,000,000. He said the administration is trying to cut it.

Communities Must Organize for Group Effort, Zoltan Tells Kiwanis

The communities of Saline and Gallatin counties and the south-eastern Illinois area must unite and organize for a group effort to better their economic condition. This statement was made to members of the Kiwanis club meeting last night at the Masonic temple by Frank Zoltan of the Eldorado Chamber of Commerce.

Individual communities are unable to attract larger industries and the area needs to pool its resources to sell itself to industry, he said.

It is very important for people of this area to put in an all-out effort to gain industry for the future of their communities, Mr. Zoltan stated. He urged every organization to set up an industrial committee to tie in with the larger effort of the Industrial Development being set up in Saline and Gallatin counties.

Mr. Zoltan praised the Kiwanis club for its activities to the youth of the community. But, he asked,

what happens to the youth when they reach an age of 18? In spite of the money spent on the schools and the education of the youth, they must leave this area to seek jobs in larger cities.

While the towns of this community have been training its future leaders, they have been unable to provide work for the young people, Mr. Zoltan stated.

Richard Davenport, president of the club, announced a divisional sports day which will be held at Metropolis, Tuesday, Jan. 16. The family affair will be held at Fort Massac State park and will provide entertainment during the afternoon and evening. The dinner will be held at 6:30. There will be no meeting of the Harrisburg club and the entire group is asked to attend the sports day affair by Mr. Davenport.

Billy Graham Urges Golden Rule of Highways

NEW YORK (UP)—Evangelist Billy Graham Tuesday night recommended a "Golden Rule of the highways" to persons who plan to plan to travel by car over the long July 4th weekend.

"Drive unto others as you would have them drive unto you."

Graham urged a capacity audience of 18,500 in Madison Square Garden to "be careful as death" on the highways over the holiday.

"A man gets upset or angry with his wife or children and stalks out and gets in his car," Graham said. "Often times, without knowing it, he drives like a madman to take out his anger on the car and the road."

"The tragedy is that a man in this state often crashes into another car or knocks down some pedestrian."

Society Beauty Dies at Her Villa In Switzerland

MONTMOLLIN, Switzerland (UP)—Swiss officials said today they planned no inquest into the death of Joanne Connelley Ortiz Patino, the international society beauty whose marital troubles made headlines for four years.

The 26-year-old twice-married former cover girl was found dying of a heart attack early Tuesday in her villa. She died soon after a Roman Catholic priest administered the last rites of the church.

Informed sources said no investigation was planned because she had been ill for some time. The sources said she had been treated twice at a Lausanne Hospital for heart trouble, caused by taking overdoses of reducing pills.

Joanne, a New York debutante of the 1948 season whose beautiful face appeared on many magazine covers, was married first to millionaire socialite golfer Robert Sweeny in March, 1949, in a Palm Beach ceremony where she was escorted by railroad tycoon Robert Young.

She made her first international headlines in 1953 when Sweeny divorced her on grounds of her adultery with playboy diplomat Porfirio Rubirosa.

She had intended to visit New York next week to see her two daughters who are in Sweeny's custody.

In 1954 she married Jaime Ortiz Patino, heir to a billion dollar Bolivian tin fortune. Their life together lasted only 49 days and was followed by three years of suits and countersuits across Europe—and blazings headlines throughout the world.

She died just before a Swiss court was to hand down a final divorce decree in a scandal-proof end to the charges of narcotics addiction, cruelty, defamation of character and libel.

Hint Shakeup In the Kremlin

LONDON (UP)—The Soviet Communist Party newspaper Pravda hinted today that a major shakeup may have taken place in the Kremlin leadership.

The indication of trouble in Moscow came in a Pravda editorial which made a firm demand for "unshakable unity" among Soviet leaders. It particularly referred to past errors attributed to former Premier Georgi Malenkov and former Foreign Minister V. M. Molotov, but it mentioned no names.

Malenkov succeeded the late Josef Stalin as premier. Both he and Molotov have been advocates of continuing the Stalin policies denounced by the Kremlin group led by Communist Party boss Nikita Khrushchev and present Premier Nikolai Bulganin.

This week Bulganin and Khrushchev suddenly postponed a trip to Prague, Czechoslovakia, scheduled to start last Monday. It now is supposed to begin July 8.

Nine Hurt in Two-Car Collision

MARION, Ill. (UP)—Nine persons were injured, none critically, in a two-car collision 2½ miles south of here on Ill. 37 Tuesday. The wreck tied up traffic more than an hour.

Two of the injured were James F. Baxter, 42, and his wife, Wilma, 40, St. Louis.

The other seven injured were in a car driven by Stanley Lotts, 35, Greenwood, Miss.

Crop Outlook In Southern Illinois Poor Due to Rains

Estimate 45 Million Cars on Holiday Trips

400 to 500 Motorists Marked For Highway Deaths

By United Press

A mass exodus of Americans began today with an estimated 45 million cars hitting the highways for a long Fourth of July holiday weekend of fun for some and, inevitably, pain and tragedy for others.

Despite the best efforts of law enforcement agencies and safety-conscious motorists, at least 400 and possibly more than 500 holiday travelers are marked for death on the highways.

Other holiday celebrants will reach their destinations safely only to join the long fatality list in drownings at crowded beaches and resorts. Still more will be killed in airplane and miscellaneous accidents.

Added to this will be the uncounted toll of injured in traffic wrecks and the anticipated more than one million dollars lost in property damage.

The National Safety Council estimates there will be on traffic smashup for every 20 miles of highway travel during the four-day weekend.

The 102-hour holiday period begins at 6 p. m. local time, today and ends at midnight Sunday.

The council figures these accidents will kill 535 persons, or 70 more than the 465 who would die in traffic during a non-holiday period of the same length in early July.

The enforcement agencies again planned an all-out assault on reckless motorists, and FBI Chief J. Edgar Hoover added a warning against picking up hitchhikers. "Offering a ride to a stranger, like passing on a hill or a curve, is a dangerous, blind gamble," said Hoover in the FBI's Law Enforcement Bulletin.

Eldorado Woman Dies While Visiting Her Son in Peoria

Mrs. Cordia Palmer, 65, of Saline avenue, Eldorado, widow of Thomas Palmer, died in the St. Francis hospital in Peoria, at 11:30 a. m. Tuesday. She had been visiting her son in Peoria for about two weeks at the time of her death.

The body was received by the Eldorado funeral home today and will lie in state there until the funeral at 2 p. m. Friday in the Calvary Baptist church. Rev. Kenneth Edwards will officiate and burial will be in the I. O. O. F. cemetery at Eddyville.

Mrs. Palmer is survived by her daughter, Mrs. Alma Pauline Hall of Eldorado; her sons, Louis Palmer of Crossville and Fred Palmer of Peoria; her sisters, Mrs. Nellie Worcheck and Mrs. Virginia Hughes of San Bernadino, Calif.; her brothers, Aaron Reynolds of Lillian, Ala., and Wayne Reynolds of Akron, Ohio, and nine grandchildren.

Offices, Business Houses to Close For July 4 Holiday

Harrisburg and Saline county will join the nation in observing Independence Day as a holiday tomorrow.

Federal, state, county and city offices will be closed and all businesses and professions that normally close on holidays will not be open.

The post office will be on holiday schedule and there will be no issue of The Daily Register.

Death Takes Mrs. Walter G. Wilson; Funeral Friday

Mrs. Floy Wilson, 14 South Skaggs street, Harrisburg, died in her home at 7 p. m. Tuesday. Daughter of Sam and Isabelle Barnaby, Mrs. Wilson was born in Sturgis, Ky.

The funeral will be held at 2 p. m. Friday in the Gaskins funeral home and the body will lie in state there. The Rev. William Burroughs will officiate and burial will be in the Sunset Hill cemetery.

Mrs. Wilson is survived by her husband, Walter G. Wilson, her brother, Sam Barnaby of Harrisburg, and her sister, Mrs. Minnie Monroe of West Frankfort. The family has requested that flowers be omitted.

Vickery Sentenced To State Farm

Rex Vickery of Eldorado today was sentenced to a term of one year on the state farm at Vandalia by County Judge Trafton Dennis.

Vickery was sentenced for violation of probation placed on him by the Saline county court.

A couple of nights ago he was arrested in Gallatin county on charges of driving while intoxicated and disorderly conduct and was brought here to face probation violation.

Parks Back in County Jail

Audie Parks, 36-year-old former Harrisburg resident, was back in the Saline county jail today on a charge of assault with a deadly weapon, filed last week.

Parks was arrested upon complaint of Robert Cole, who charged Parks hit him across the face with a beer bottle. Arraigned in county court on the charge of assault with a deadly weapon, Parks pleaded innocent and his bond was set at \$2,000 to await trial.

Madison county authorities were seeking Parks on a charge of aggravated assault and he was returned to Edwardsville early this week by the Madison County Sheriff's department.

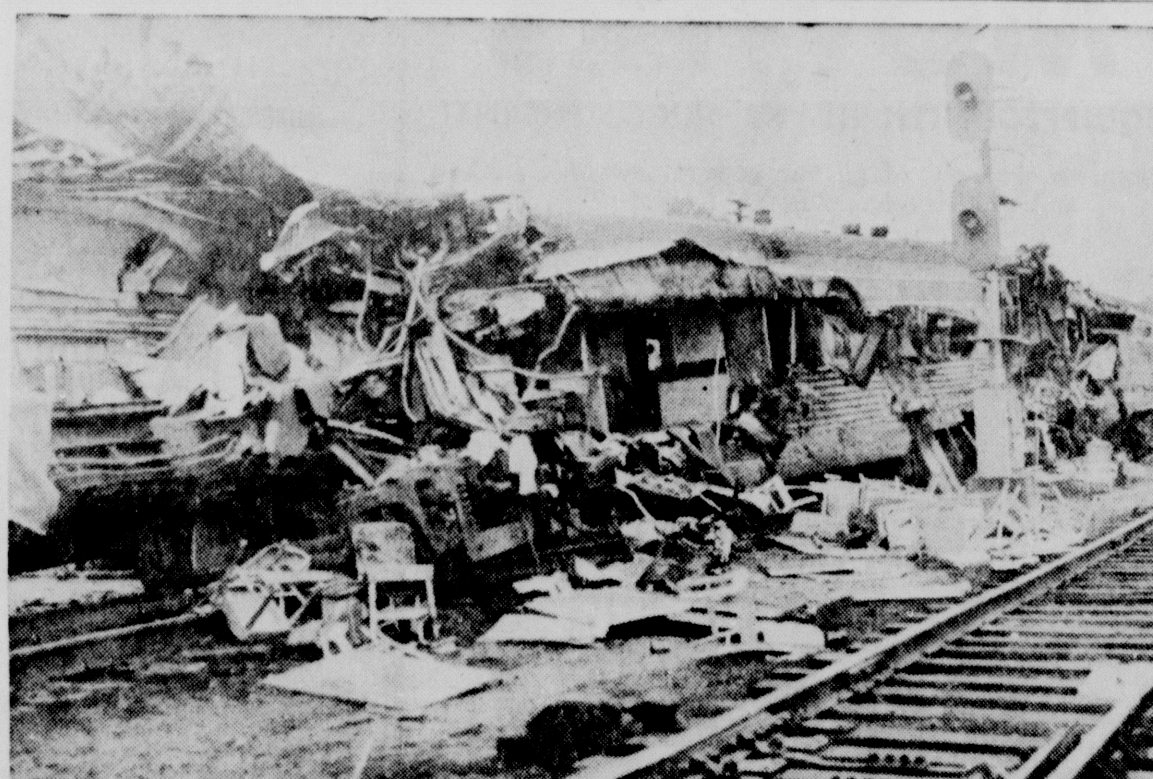

However, he showed up in Harrisburg yesterday along with three companions and was arrested last night by Sheriff William T. Barrett and Deputy Sheriff Everett N. Sneed, who said Cole reported to them that Parks had spotted him on a local street, got out of the car in which the four were riding, hit him, then tried to get him into the car. Cole ran, he told officers.

The two county officers located the car in East Harrisburg and arrested Parks on the assault charge filed here, because he had not made bond. The three companions were not placed under arrest.

Barrett called Edwardsville this morning and learned Parks had been released there under \$500 bond.

State Out of Running as Top Corn Producer

Total Value of 1957 Crops Will Be Off Millions

SPRINGFIELD (UP)—Rain and floods have knocked Illinois out of the running as the nation's No. 1 corn producer for 1957.

The crop outlook is particularly poor in southern Illinois, where frequent, heavy rains sent rivers swirling out of their banks to flood thousands of acres of bottom-lands.

Other parts of the state fared better, but heavy spring rains resulted in late planting, which will mean lower yields.

Joe Ewing, chief of State-Federal Crop Reporting Service here, already has conceded that neighboring Iowa will regain its old spot as the top corn producing state in the United States.

"We lost our chances at the beginning of May because Iowa had better weather and was able to get its corn planted early," he said.

Illinois has to maintain excellent corn yields to outrank Iowa in corn production, because Iowa normally plants as much higher corn acreage. Last year Iowa farmers planted more than 10 million acres of corn, compared with less than 9 million acres in Illinois.

The yield per acre made the difference. Illinois' was 68 bushels average compared with only about 51 bushels for Iowa.

Not All Planted
The outlook for Illinois soybeans, small grains and other crops is somewhat better, but there isn't a chance for anything like the record production turned out in 1956, Ewing said.

Illinois very likely will keep its record as the nation's top soybean producer because of extremely large acreages of beans normally planted in the state. Last year Illinois farmers planted close to 5 million acres of soybeans, compared with a little over 2½ million acres in Minnesota, which is second in bean production.

All of the 1957 corn and soybean crops haven't been planted yet, as late as it is. Ewing estimated about 15 per cent of the beans remain to be seeded.

The heavy rains which delayed corn planting also prompted some farmers to divert corn acreage to soybeans, because the beans could be planted later.

Last year Illinois farmers turned out record-breaking crops with a value of \$1,431,832,000, including about 599 million bushels of corn and 125 million bushels of soybeans. The total value of the 1957 crop beans, will be millions of dollars lower even allowing for a slight price increase which may not develop. Some river bottom fields have already been replanted three times, only to be washed out again.

Delay Farm Work
"Several thousand acres of land are going to have to lie idle because it's just too wet to get on the ground," Ewing said.

"Southern Illinois, particularly, has been plagued with bad weather ever since the beginning of the growing season. The southern third of the state hasn't had one full week of good weather all year," he said.

Gray Reports House Group Approves Saline River Flood Control Bill

Congressman Kenneth J. Gray today announced that the full House committee on Public Works has passed his bill authorizing a flood control project on the Saline river and tributaries in the amount of \$5,900,000, that his amendment to reduce local cash contribution from \$980,000 to \$233,000 was adopted by a vote of 19 to 12.

"I expect a floor fight but am confident I have enough votes to pass," Gray wired. "The bill already has passed the Senate. This project can do much to save crop and property damage from floods."

July Fourth—1776 - 1957

By James G. Crossley

Things have turned upside down since the Declaration of Independence was signed 181 years ago. The current position of the United States could never have been forecast by those who signed their names at the bottom of this deathless document. America was the youngest nation then. Ghana, in Africa, is now.

America was one of the weakest nations. It is the strongest now. England and France were the world leaders then.

The responsibility for the peace and welfare of the world has been thrust upon us in the last few years.

Perhaps, upon re-reading the Declaration in the light of our recent experiences as a nation, we may see the England of 181 years ago with a slightly clearer light. And as the words are scanned, there may arise certain sympathies for that great mother nation juggling—and fumbling—some of the responsibilities which we know only too well today.

There are haunting phrases in the Declaration—

The colonists complained that the king "has kept among us, in times of peace, standing armies, without consent of our legislatures."

They said the king was wrong in "protecting them (his soldiers) by a mock trial from punishment for any murders which they should commit on the inhabitants of these states."

They said the king had "plundered our seas, ravished our coasts, burnt our towns..."

The king was accused by the colonists of exciting "domestic insurrections among us..."

They complained of attempts "to extend an unwarrantable jurisdiction over us."

The propaganda of our present-day antagonist makes these bitter accusations sound mild. Occupation forces in foreign lands... the Girard case... Asiatic complaints about our H-bomb tests... loud acrimony from the Middle East. If you were to swallow the Reds' propaganda pills whole, you might think our foreign policies as reprehensible as King George's.

While the English soldiers in Boston had to face the taunt of "Lobster-back" from the small fry there, our own troops must ignore the chalked "Yankee, go home" which adorns walls in foreign lands where they patrol.

Doubtless there are many among us who wish our position was a simple one which could be solved by a new Declaration of Independence—a declaration to the world that we are tired of trying to help and paying the bill and being told to go home.

But we cannot. Our good will and moral principles are the mortar which holds the world together.

Benighted England, at the time of the American Revolution, may have been greedy for power and profit. Let the historians argue this. But we are interested only in the welfare of free men in our own self-existence.

Our only stake in world affairs is represented in the holiday we celebrate today—in memory of a great step toward a more equitable life taken by mankind in the foundation of this republic.

The struggle for liberty is an unending one. It goes on, hour by hour and day by day, endlessly. We cannot turn our backs on our world duties. We cannot let down those nations which have at least a measure of freedom and the citizens of those others who look pleadingly in our direction.

Despite the confusion of propaganda, our real friends in foreign lands recognize our contribution and express it plainly.

As the New Chronicle of London warned: "Anything that encourages the United States to withdraw into 'Fortress America' is bad for the free world."

Boston, Mass., first was known as Shawmut.

To Speed 3-Week Training Program For 600 Additional State Police

SPRINGFIELD (UP)—A streamlined new three-week training program will be used to get 600 additional state police on the highways before January, State Police William H. Morris said today.

The 1957 Legislature approved the 600-man increase in the present 500-man force just before its session ended last week. Gov. William G. Stratton, who urged the increase, will sign the bill into law when he returns from an out-of-state trip late this week.

An additional 100 police authorized to patrol the state's toll roads will be recruited and trained next year, Morris said.

The police chief said a stepped up three-week training program will be used to prepare the new policemen for duty before they go on the highways. They will be returned to school before their year-long probationary periods are up for another four-weeks in-service course.

Earlier trainees received four weeks' training, and also got at least a two-week in-service training period.

Training Starts Monday
The training for the first group of new men will get under way at the state police institute at the fairgrounds here Monday with a class of 72 who have met State Police Merit Board qualifications.

Another group will begin training at the University of Illinois police school at Champaign July 15, with about 75 men enrolled, Morris said.

The first trainees are men already recruited by the board who have passed written and oral examinations, physical tests, and were

cleared for police work after background investigations.

The initial three-week training period will include classes like the use of firearms, motor vehicle laws, arrest laws, first aid, safety, police paperwork and similar topics.

Recruitment, testing and training of the new men will be continued until the force reaches the full 1,100 man strength to be authorized when the law becomes effective, Morris said. The program will also carry through until the additional men have been trained for toll road duty, he said.

Higher Pay Scale

Expansion of the state police force was part of Stratton's highway safety program designed to attempt to cut down the growing automobile accident toll. The enlarged force will particularly be needed to enforce the new "rigid" state speed law.

led to enforce the new "rigid" state speed law.

Morris said the enlarged force should be "adequate" to enforce the speed law, and to generally tighten enforcement of traffic regulations on Illinois highways.

He said the area around East St. Louis was perhaps that most critically in need of additional police, along with the area north and west of Chicago, but some new men will be supplied to all of the state police districts in the state when they are trained.

The Legislature also approved higher pay scales for state police along with a measure which created the new rank of corporal within the force. Starting salaries for patrolmen were boosted from \$325 to \$350 per month.

The new scale includes provisions for automatic increases based on years of service; the top patrolman's pay will be \$440. Pay range classifications for other ranks include: corporal \$360-480; sergeant \$380-490; lieutenant \$420-540; captain \$450-585; and assistant superintendent \$530-650.

We thank God that we still possess

The Spirit of '76

On this anniversary we are thankful above all for the courage, vitality, and raw pioneer strength of our ancestors...

grateful above all that the attributes which enabled our forebears to win a nation from unlawful sovereignty and untrammelled wilderness still exist in great strength in our people today...

and hopeful above all that this native courage and spirit will continue to keep our union and its citizens strong, peace-loving, and God-fearing.

Mrs. Fred N. Taylor Visiting Harry Taylor Family Here

Mrs. Pearl Taylor, widow of Fred N. Taylor, has returned to Harrisburg to visit with Mr. and Mrs. Harry Taylor of 700 North Main street, and her sisters-in-law and their families, Mr. and Mrs. Louie Conover of Dorris Heights and Mr. and Mrs. Ed Martin of 719 South McKinley Avenue. The wonderful thing about this visit, is that although Pearl has been widowed for 23 years, she is still close enough in her feeling, for her husband's family to come all the way from Santa Rosa, Calif., to be with them. This is her first trip to Harrisburg in eighteen years, but she has kept up a constant correspondence with Mrs. Harry Taylor, and the sisters have seen her within the last ten years.

There was a family picnic at Karel park Sunday, and there were many out of town relatives who took the opportunity to renew their acquaintance with Pearl, who is a registered nurse in California and who seems to devote her life to kindly services.

Attending the picnic were the Taylors, Conovers and Martins, E. L. Mentzer and his mother, Mrs. Phoebe Mentzer of Evansville, Ind., Mr. and Mrs. Basil Mentzer of Mr. and Mrs. Harry Mentzer of Mt. Vernon, Ind., Mr. and Mrs. John Rutledge of New Harmony, Mr. and Mrs. Arthur Yates, Mr. and Mrs. James Layton, and Mr. and Mrs. John Butsch of Crossville, Mr. and Mrs. Harold Winter and children, Martha Sue, Loyd Allen and Elen Winter of Carmi, Mr. and Mrs. Leslie Taylor, Mr. and Mrs. Robert Reeves, Mr. and Mrs. Forest Groves, Mr. and Mrs. Harry G. Moore and Kathy Jo, and Robert Conover all of Harrisburg, Toni Barton of Eldorado and Steven Work Adams of Jerseyville.

Mrs. DeWitt Twente, of 700 South McKinley Avenue, Harrisburg, is still in the Ferrell hospital at Eldorado, where she was taken June 22 with a broken arm suffered in an accident in her home. She is not expected to be released from the hospital for several days.

Garris Mitchell Golden Wedding Anniversary Today

Mr. and Mrs. G. W. Mitchell

George Washington and Rebecca Garris Mitchell RFD 2, Harrisburg, one mile west of Liberty church, were married fifty years ago today in Harrisburg, by J. O. Vinson, J. P.

The bride, daughter of David and Nancy Garris of Kentucky, wore a blue taffeta dress and a blue ribbon in her hair.

Mr. and Mrs. Murray Walker, of Ledford, were their attendants.

There was a small reception for the bride and groom at the home of Mr. Mitchell's brother, the late Walter Mitchell.

The bridegroom was a coal miner at Ledford.

Sunday from 2 to 5 p. m. there will be an open house held in the George Mitchell home. Maybe George will be sitting in his rocking chair, shown here, with which they set up housekeeping, but Mr. and Mrs. Ray Martin of Malden, Mo., sister of Mrs. Mitchell, and Mr. Mitchell's nephew, Eugene Mitchell of Dallas, Texas, will be busy greeting friends and serving punch and the huge cake that the Pankey baking company is baking for the occasion.

Miss Marilyn Sue Geltosky, daughter of Mr. and Mrs. George Geltosky, 810 West Pine street, will leave July 4 for Los Angeles, Calif. She will travel by plane from St. Louis and will stay at the home of Mr. and Mrs. Charles Bardos, her uncle and aunt, during her vacation. Plans are not definite as yet, but in addition to sight-seeing, Marilyn may work in California during the summer. If so, she will not return to Harrisburg until next fall when she will enter Southern Illinois University as a sophomore.

Mr. and Mrs. Cletus King of Phoenix, Ariz., formerly of Saline county, arrived Sunday for a visit with their parents, Mr. and Mrs. Willis Reed and Mr. and Mrs. Milton Sadler. They were among the last cars to get through the flooded area west of St. Louis, Mo. where the road to Valley Park was closed behind them, due to the rising flood waters. They will return to Phoenix in about two weeks where they are both employed.

Ronnie Doerge, 1134 South Main street, Harrisburg, was taken to the Lightner hospital Sunday, suffering with appendicitis. He underwent surgery on Monday and is reported to be improving satisfactorily.

Miss Ruth Egilits of Kansas City, Mo., is a house guest in the home of Mr. and Mrs. J. O. Wells, 912 South Granger street, Harrisburg. Miss Egilits is a senior at Park college.

Mrs. Thelma Webb and Miss Dorothy Fox, Excel Super Market employees, have returned from a vacation trip to Daytona Beach, Fla.

Births

Mr. and Mrs. LeRoy Diefenbach of Carrier Mills are parents of a boy born at the Harrisburg hospital Tuesday. The baby has been named Stephen Matthew and weighed eight pounds, seven ounces.

Mr. and Mrs. J. O. Hall Attends Church College Meeting

Mr. and Mrs. J. O. Hall and daughter, Janet, of 1122 South Webster street, Harrisburg, returned Tuesday from a week's vacation at Lake Junaluska, N. C.

Mr. Hall, a trustee of McKendree College at Lebanon, represented the college in a meeting of presidents and trustees of church related colleges.

The family toured the Smoky mountains and other points of interest on the trip.

Marriage Licenses

Bob Horton, 20, and Brenda Sittig, 16, both of Carrier Mills, Richard Kaitschuck, 21, Chicago, and Pat Sullivan, 18, Des Plaines, Ill.

Young Craggs Brothers to Present Program of Organ Melodies Monday

Tommy Craggs

Jeffrey Craggs

Tommy and Jeffrey Craggs, sons of Mr. and Mrs. Wayne Craggs of Eldorado, will appear over WSIL-TV, Monday, presenting a full program of organ melodies, beginning at 9:30 p. m. Tommy is nine years old and a veteran entertainer; Jeffrey is seven years old and shows promise of equalling his talented brother.

Tommy has won second place awards twice in the SEIEC talent contests. The contest of August 22, 1955 and August 20, 1956. He appeared in recital for the 24th District Federation of Women's clubs at the First Presbyterian church, April 23, 1957. He is the junior organist for the First Baptist church in Eldorado.

Jeffrey started his musical career early in 1956, studying the piano. He has appeared in two recitals, in the WSIL-TV junior talent programs. He started studying organ Jan. 15th of this year and played as guest artist of his brother for the 24th district Federated Women's clubs in the April 23rd meeting.

Both Tommy and Jeffrey played at the Vienna and McLeansboro fairs last year and will appear again at the fairs this season. Both boys play the Baldwin electric organ and the pipe organ.

Keith Pierce is their instructor, an outstanding organist of SIU, Carbondale.

GREEN BAY, Wis. — The children of Lt. Cmdr. Joseph L. Agnes of St. Agnes Drive here are enrolled at St. Agnes School. Their father became commander of the Green Bay Naval Training Center Jan. 21—St. Agnes Day, of course.

Notice of Sale of Real Estate for Taxes or Special Assessments; and Notice of Filing Petition for Order to Issue Tax Deed.

TO: Mabel Morrow and A. P. Watson and all Unknown Owners.

You and each of you are hereby notified that on the 18th day of October, 1956, the County Court of Saline County, Illinois entered a judgment and order of sale (in Case No. 518-A) upon delinquent lands and lots, and fixed the correct amount of tax paid under protest in the County of Saline and State of Illinois for the year 1952; that the undersigned, as purchaser or assignee of the purchaser, on the 18th day of October, 1953, at the sale ordered in said proceedings which sale was held by the County Collector of said County on the day aforesaid at the Court House in the City of Harrisburg, in the County of Saline, and State of Illinois, purchased said delinquent land and lots for the taxes, interest, penalties and costs due and unpaid for the year 1952. And that such delinquent lands and lots so purchased are more particularly described as follows:

Lots 5 & 6 in Block 16 in the Original Plat in the City of Eldorado, County of Saline, State of Illinois.

Such real estate so purchased was last taxed in the name of M. L. Barnes. The time for redemption of said real estate will expire on the 18th day of July, 1957.

On the 1st day of July, 1957, the undersigned filed a petition in the County Court of Saline County, Illinois in the same proceeding in which the aforesaid judgment and order of sale was entered. Said petition prays that the court enter an order directing the County Clerk to issue a tax deed to the undersigned if the real estate shall not be redeemed from the sale; And the undersigned intends to make an application to the court on the 18th day of October, 1957, at the hour of 10 a. m. for an order on said petition that a deed issue to the undersigned if the real estate shall not be redeemed from the sale.

In Memoriam

In loving memory of our dear mother, Thressie Bundren, who passed away July 4, 1956: We watched her suffer day-by-day.

It caused us bitter grief. Her weary hours of pain have passed, And in our hearts we know She found her peace at last. Every day our thoughts wander To a grave so far away, There we laid our dear loved one. One year ago today.

Sadly missed by children and grandchildren.

In Memoriam

In loving memory of our dear husband and father, Frank Rodgers, who passed away four years ago July 4th. As ever when twilight hour draws near, And sunset flames the sky; We think of you, dear Dad, And the happy days gone by. Thoughts of you come drifting back, Within our dreams to stay; To know that you are resting When twilight ends the day. Sadly missed by wife, Eva, and son, Homer and daughter Eva-dean Hamilton.

Boy Is Killed by Father's Auto

ALGONQUIN, Ill. (UP)—Brian Volkenne, 3, was injured fatally Tuesday when a car driven by his father struck him as the youngster played in the driveway of the family's farm home.

Authorities said the boy, son of the Raymond Volkennes, apparently crawled beneath the car before his father backed the vehicle out of the driveway. Brian died hours later at St. Joseph's Hospital in Elgin.

Aroma of Stolen Fried Chicken Keeps Police on Trail

MOUNT CARMEL, Ill. (UP)—The aroma of fried chicken kept state and city police on the trail Tuesday morning.

Police said two men entered a cafe early Tuesday, grabbed a basket of fried chicken from an elderly couple and fled.

Police picked up the trail by following pieces of fried chicken the thieves tossed out of their car.

The driver of the getaway car was fined for having no driver's license. The fried chicken snatcher was fined on intoxication and disturbance charges after officers searched in vain for a law against stealing fried chicken.

Train Derails in Downtown Area

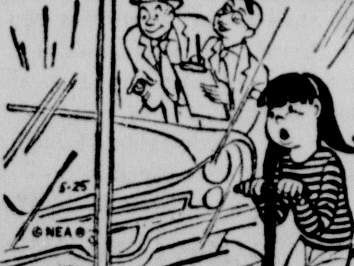

MOUNT OLIVE, Ill. (UP)—Some 26 cars of a Pennsylvania Railroad freight train piled up in the downtown area here early today, shearing off part of the Wash station.

The freight cars, part of a 101-car northbound Pennsylvania train, piled up three deep. The derailment was apparently caused by a burned out journal on one of the cars, railroad officials said.

No one was injured in the accident, which occurred at dawn. There were no parked cars or other vehicles near the pileup.

The accident occurred on Wash Railroad tracks, which the Pennsylvania has been using since floods last week washed out a section of the Pennsylvania tracks.

Senate Passes \$34.5 Billion Defense Measure

Action to Restore House Cuts Victory For Eisenhower

WASHINGTON (UP)—The Senate has handed President Eisenhower a resounding budget victory by unanimously passing a \$34.5-billion bill to run the armed forces for the next year.

The action would restore nearly all of the House cuts which the President had labeled a threat to national security.

The measure, approved by the Senate in an overtime meeting Tuesday night, was the biggest money bill of the session and a near record for a peacetime defense bill. It was approved by a 74-0 roll call vote after the Senate beat down two drives to make further cuts in the measure.

The bill now goes to a Senate-House conference committee to thresh out differences in the totals voted by the two chambers for the armed services. Senators agreed in advance that their total would have to be cut somewhat to reach a compromise with the House.

The Senate bill would give the Army \$7,397,156,000, the Navy \$10,054,255,000 and the Air Force \$16,384,093,000. The House bill carries \$7,639,425,000 for the Army, \$9,801,355,000 for the Navy and \$15,801,720,000 for the Air Force.

The Senate measure would restore \$971,504,000 of the \$1,200,000,000 in House cuts termed dangerous by Eisenhower. The Presi-

VACATION BIBLE SCHOOL
JULY 8 THROUGH JULY 19
AT RALEIGH BAPTIST CHURCH

The Raleigh Baptist church will hold its annual Daily Vacation Bible school July 18 through July 19. There will be classes each day except Saturday for nursery, beginners, primary, juniors and intermediates from 9 a. m. to 12 noon. Transportation will be furnished to boys and girls to and from the school who need it.

The pastor, Rev. C. E. Russell, states that Friday will be registration day for all the boys and girls and there will be a parade to start the day. Boys and girls on bicycles and on foot will parade from Raleigh grade school at 9 a. m. through town and to the church.

The Raleigh Baptist church enrolled 182 in the school last year and has set a goal of 200 this year. The church invites all the boys and girls in the community to attend.

Nine-Year-Old Boy, Hurt in Store Blast, Is Awarded \$750,000

CHICAGO (UP)—A Superior Court jury awarded what is believed to be a record \$750,000 to a 9-year-old boy, injured in a store explosion that killed eight persons last Jan. 28.

Michael Finn, Roselle, lost both legs in the blast, and suffered additional severe injuries. He was in the store when the explosion occurred.

Attorneys for the Commonwealth Edison Co. and the Northern Illinois Gas Co. admitted responsibility for the hardware store explosion in suburban Roselle.

The store was torn apart when drillers for Commonwealth Edison plunged into a gas line while putting in a light pole. A gas leak had been reported earlier, but allegedly was not repaired immediately.

dent had dismissed another \$1,300,000,000 in House cuts as nothing more than "bookkeeping" or "paper savings."

The Air Force would get the lion's share of the funds which the Senate voted to restore—\$560,873,000. The Army's portion would be \$157,731,000 and the Navy's \$252,900,000.

4 Dead in Aircraft Carrier Fire

MARSEILLES, France (UP)—A huge fire broke out on the 40,000-ton U. S. aircraft carrier Lake Champlain here today. Four persons, three of them crew members and one a French dock worker, were reported killed.

The Lake Champlain and two destroyers arrived here from Italian waters for a 13-day visit to this Mediterranean port. Ninety minutes after its arrival it began unloading automobiles onto launches which were to carry them to land.

French fireboats put out the fire which lasted 2 1/2 hours.

Actual damage to the carrier itself was light and the main blaze was confined to the launches.

Rookie Von McDaniel Pays
Off on Cardinal Bonus;
Defeats Braves, 4 to 2

By United Press

Rookie Von McDaniel, a \$50,000
investment by the St. Louis Cardi-
nals, already has paid off with a
more spectacular big league be-
ginning than even Bob Feller.

When Feller broke in as an awk-
ward 17-year-old with Cleveland
back in 1936, he had a 5-3 record
in his first season and a 3.34
earned run average.

The 18-year-old McDaniel, paid
a \$50,000 bonus upon his high
school graduation five weeks ago,
already has a 4-0 record with the
Cards and a 1.50 earned run
average that is helping them horn
in on the National League lead
again.

McDaniel retired the first 18
Milwaukee batters in a row Tues-
day night in posting a 4-2 victory
that moved St. Louis within a
game of first place. Accustomed
to pitching only seven innings in
high school, the Cardinal rookie
yielded four hits and two runs in

the seventh and was replaced by
veteran Hoyt Wilhelm in the
eighth when he gave up another
hit.

Redlegs Take NL Lead
Cincinnati took over first place
from the Braves by defeating the
Cubs, 8-6, in 10 innings, and the
Dodgers blanked the Giants, 6-0.
Pittsburgh and Philadelphia were
not scheduled.

The Yankees maintained their
two-game lead in the American
League race with an 11-inning 6-4
victory over the Orioles; the White
Sox beat the Tigers, 4-2, and Bos-
ton moved into third place with
a 2-1 decision over Washington.
Cleveland and Kansas City were
idle.

Doubles by George Crowe and
Don Hoak coupled with three
walks gave the Redlegs their two
runs in the 10th that beat Chicago.
Cincinnati hopped on starter Don
Kaiser for five runs in the second
inning with the help of a grand-
slam homer by Wally Post but
homers by Lee Walls and Ernie
Banks enabled Chicago to tie the
score. Raul Sanchez was the win-
ner.

Forty-year-old Sal Maglie, pitch-
ing his first complete game since
the season opener, limited the
Giants to four hits as the Dodgers
put together three-run rallies in
the third and sixth innings. Errors
by shortstop Andre Rodgers and
catcher Wes Westrum set up
Brooklyn's first rally while Elmer
Valo's triple and Carl Furillo's
double featured the sixth inning
assault.

McDougal Paces Yanks
Gil McDougal's two-run double
off George Zvernick with two out
in the 11th enabled southpaw
Whitey Ford to post his second
victory in relief for the Yankees
in as many days. The victory was
the Yanks' sixth in a row and it
came after they had trailed 3-0
until the seventh.

Section 8. (Water department)
To pay and defray the expenses
of maintaining and operating the
Municipal Water System in said
City, there is appropriated the sum
of One Hundred Fifty Thousand
One Hundred Fifty Dollars (\$105,
150.00), as follows:

Principal and interest on
water revenue bonds \$23,500.00
Depreciation sinking
fund 2,650.00
Salaries and wages 37,000.00
Electric power 6,000.00
Material and supplies 12,000.00
Repairs 7,000.00
Extension of distribution
system 10,000.00
Incidental expense and
costs 2,000.00
Office expense 5,000.00
TOTAL \$105,150.00

Section 9. (Motor Fuel Projects)
There is further appropriated for
Motor Fuel Tax projects, which
amount is payable solely from Mo-
tor Fuel Tax funds received by
said city, the sum of Eighty Thou-
sand Dollars (\$80,000.00).

Section 10. (Working Cash Fund)
There is further appropriated for
the purpose of providing money
for a working cash fund, the same
to be in addition to the maximum
of all other taxes which are now
authorized by law, in accordance
with the provisions of Section 15-
13, Chapter 24, Smith-Hurd Re-
vised Statutes of the State of Illi-
nois, the sum of Fifteen Thousand
Dollars (\$15,000.00).

Section 11. All unexpended bal-
ances of any item or items of any
appropriation made by this ordi-
nance may be expended in making
up any deficiency in any other item
or items in the same general class
or department.

Section 12. The invalidity of any
section or item or any section shall
not affect the validity of this ordi-
nance, or any other section or item
thereof.

Section 13. Whereas, this ordi-
nance is required to be in full
force and effect for the immediate
preservation of the public peace,
health, and safety of the inhabi-
tants of said city of Harrisburg,
therefore, the same shall be in full
force and effect from and after its
passage, approval and publication
and recording as provided by law.

Presented, rec'd, introduced and
referred to the Council of the City
of Harrisburg, as a committee of
the whole, this 18th day of June,
1957.

Recommended by the Council of
the City of Harrisburg, as a com-
mittee as a whole, and ordered to
be placed on file and remain there-
on for public inspection for a pe-
riod of One (1) week, this 18th
day of June, 1957.

Accepted and duly passed on a
roll call vote by the affirmative
vote of at least four (4) members
of the council of said City of Har-
risburg, on this 2nd day of July,
1957.

APPROVED: July 2, 1957.

Adolfo Luque,
Ex-Major League
Pitcher, Dies

HAVANA, Cuba (AP) — Adolfo
Luque, former major league pitch-
er, died here today at the age of
66. Death was attributed to a
heart attack.

Luque spent 21 years in the
National League, breaking in with
the Boston Braves in 1914 and
ending his a five career with the
New York Giants in 1935.

He appeared in two World Se-
ries, with the Cincinnati Reds in
1919 and with the Giants in 1933.
He was the winning pitcher in the
fifth and final game of the
1933 Series.

Luque went to the Reds in 1918
and during the next 10 years was
rated among the league's out-
standing pitchers. His best year
was in 1923 when he posted a
record of 27 games won against
eight lost.

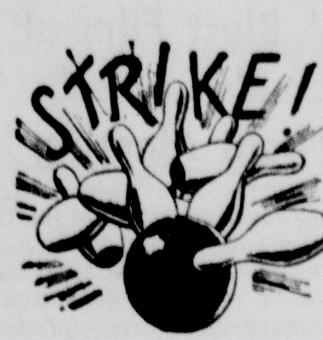

He spent two years with the
Brooklyn Dodgers, 1930 and 1931,
and joined the Giants in 1932. Af-
ter ending his active career in
1935, Luque stayed on as coach
for the Giants until 1938.

Luque chalked up an overall
record of 194 games won to 179
lost during his career.

and picked up three base hits as
Coca-Cola walloped Ridgway, 17-
1. Boone had three hits, Reed,
Summers and Wasson had two
each and Nolen, Darrar and Gas-
kins found safe territory once
each to round out the winners' at-
tack. Hopper and Asbell had the
only safe blows for the losers.

Barger's and Walker's went into
the seventh inning tied at 6-6, then
the fireworks started, with Bar-
ger's racing over for 16 runs and
Walker's rallied for 4, with Bar-
ger's winning 22-10. Williams
was the leading hitter with four
blows followed by Dobson, Emery
and Bishop with three each. Mil-
ligan, Keltner and Raymer also
had a couple each for the winners.

Businaro hit three and Crabb
with two paced the losers at bat.
Emery was the winning hurler.

D. Hutchison twirled a four-
hitter and fanned eight to lead the
Social Brethren team for a 15-1
victory over Shawneetown. Brown
doubled and singled and Asbell
and Cline singled twice each to

pace the winners with the stick.
Waller, Awalt, Lampert and Phil-
lips divided the Shawneetown 4-
hit attack. Patton was the losing
pitcher.

Svers pitched a four-hitter and
blasted a long triple as McKinley
Baptist won from Buena Vista, 12-
2. Wasson tripled and doubled,
Nelson tripled and singled, Hicks
singled twice and Langford had a
single to complete the McKinley
eight-hit attack. Denny doubled
and singled, Pickford doubled and
Buchanan singled for the losers.

Members Enjoy Week at Camp At Lake West Frankfort

The week of June 24 through June 28 was Junior Camp week for Saline County 4-H members and 19 Saline county 4-H members—eight boys and 11 girls—enjoyed a week free from home duties at the Southern District 4-H camp located on Lake West Frankfort.

The program consisted largely of swimming, boating, nature study, games, recreation and handicrafts and a candle lighting service the evening of June 27, with all 4-H members participating.

Also three Saline county 4-H members were selected to participate in an Indian Pageant, "The Return of Tecumseh," on Wednesday night of camp week. Taking part in the program with a cast of more than 60 young people were Susan Baker, Modene Melton and Gary Cohlmeier from Saline county.

The following Saline county 4-H members attended the camp, accompanied by the farm and home advisers, the assistant youth adviser and a woman counselor, Carolyn McSparrin, of Stonefort: David Cochran, Danny Eckland, Danny Hill, W. H. McClusky, Micky Cummins, Charles Lee Joyner, Gary Cohlmeier, Bill Stricklin, Sharon Murphy, Sue Parrish.

SHARE THE FUN CONTEST FRIDAY

Saline county 4-H members will stage their annual Share-the-Fun contest Friday at the Harrisburg Junior High school, starting at 7:30 p. m.

Each 4-H club in the county is to present a three to five minute skit and the top three skits and a master of ceremonies will be eligible to compete in the district Share-the-Fun contest at Carmi, July 15. District winners advance to the state contest held at the Illinois State Fair.

Earl Lutz, farm adviser of Gallatin county, will be the judge Friday evening. Visitors are invited.

A-Blast Film at Lion's Ladies' Night Meeting

Monday was Ladies' Night at the regular meeting of the Harrisburg Lions club and the Lions and their ladies had the opportunity to see a very educational film through the courtesy of the Central Illinois Public Service company.

The film was a color motion picture which illustrated the effects of an atomic blast on residences, industrial buildings, electric power facilities and various types of equipment.

George Jensen, lighting engineer for CIPS, in a short talk preceding the film showing, pointed out that in the past America has been able to fight its wars on foreign shores. He warned, however, that fast jet bombers today can deliver atomic bombs over any spot on the globe within a few hours, leaving no country immune to atomic attack.

The film was made during official atom bomb tests conducted in 1955 at Yucca Flats, Nev. Scenes filmed before, during and after the explosion give a vivid picture of what happens in the area surrounding the blast site.

Mannequins placed in the open a mile from the blast indicated which type clothing gives best protection against heat from the blast. Various construction methods for homes and industrial buildings were tested. A typical electrical distribution system constructed near the blast site sustained only minor damage that could be repaired in a short time.

CIPS is making the film available to interested civic groups, Mr. Jensen stated.

Appointed Associate Minister of Methodist Church in Indianapolis

The Rev. Louis Youngs, son of Mr. and Mrs. Otis Youngs, was appointed recently associate minister of the Edgewood Methodist church in Indianapolis, Ind., by Bishop Richard C. Raines of the Indiana area at the 126th session of the annual Indiana conference.

Rev. Youngs has been serving the Glenn Valley Methodist church of Indianapolis during the past three years.

He began his ministry before moving to Indiana as pastor of churches in the Olney District of Southern Illinois conference.
